

# HOW TO DRAW LOTTIE LUNA

Meet werewolf extraordinaire Lottie Luna! She's super-fast, super-strong and has X-ray vision. Join Lottie as she solves mysteries and makes new Friends in a Fab new series of books!

1

For the outline, think of drawing a pile of sand with a wide spade coming out of the top of it!

2

Add Lottie's hair and two large eyes, a pointed nose and a curved line for her smile.

3

Sketch wavy lines to add arms, legs and a tail shape. Add Lottie's eye details, whiskers and werewolf fangs.

4

Draw Lottie's boots, hands and werewolf ears. See how they're all made up of curvy lines.

5

Then add the a scarf, hair curl and the design on her dress.

6

Fill in the final details on her clothes, face and tail, then colour in the dress and hair.
