Introduction

Founded in 2007, Wigtown Festival Company is an award-winning literary charity (limited by guarantee) which runs the annual Wigtown Book Festival. It also delivers an annual programme of literature development activities in the Dumfries & Galloway (D&G) region of south-west Scotland.

We develop new audiences, help writers fulfil their potential, support the region's literature sector, and create opportunities for young people to enjoy and learn through writing and storytelling. Our organisation is based in Scotland's National Book Town, Wigtown, a remote rural community of just under 900 people.

We aspire to make Dumfries and Galloway a better place to be a writer and a reader – a place where literature changes lives. The Company is based at 26 South Main Street, Wigtown, DG8 9EH.

Wigtown Festival Company firmly believes in enabling access for all and continues to work towards providing greater access facilities. This statement offers advice on access currently available.

Wigtown is rural and predominantly surrounded by countryside. The closest city is Glasgow which is 94 miles North. Wigtown is situated on a hill with a gradual approach – the situation of each venue varies and is described later in this statement.

Wigtown Festival Company has a policy to ensure that all venues, as far as reasonably possible, are accessible to everyone. The specific facilities are detailed under each venue. There may be occasions when disabled access is not possible e.g. for a site specific event such as a nature walk, or literary event at an historic venue. In these circumstances, visitors would be made aware of this.

Hidden Disabilities

They also include respiratory conditions as well as chronic conditions such as diabetes, chronic pain, and sleep disorders when these significantly impact day-to-day life. Although you may not be able to see these invisible impairments and conditions, they're still there.

People living with these often face barriers in their daily lives including a lack of understanding and negative attitudes. So some choose to wear the Sunflower lanyard to discreetly identify that they may need support, help, or just a little more time in shops, transport, or public spaces.” - www.hiddendisabilitiesstore.com

Orange lanyards will be available in the Box Office for anyone with a non-visible disability. Our volunteers will be trained to recognise the hidden disability lanyard. If you have any specific needs or any further questions, please contact the Box Office at **01988 403222**.
